

Instructions for getting access to the members' area of the DISCHARGE-website

Essential documents for the DISCHARGE project will be provided through the members' area of our website. Therefore, it is necessary that you request your site specific login to our website. To gain access, please follow the steps below.

1. To provide you access, please contact Lisa Timm (discharge.eu@charite.de) and send her your email address.
2. With this information, we create a password and a username and we will send you the data. The account you will get, can also be used by your colleagues (which are included in the DISCHARGE project) as well. Every clinical site gets only one login for the members' area.
3. Check your emails and use our provided username and password for the members' area on our website <https://www.dischargetrial.eu/members-area/> . After login, you can see all the important documents.

If you have further questions, please contact us.

E-mail-address: discharge.eu@charite.de

Phone number: +49 30 450 627 226

Kind regards,

The DISCHARGE Team
