

SOP 3

Cardiac CT Readers

Author:	Florian Specht
Supervisor:	Adriane Napp
Publisher:	Prof. Dr. med. Marc Dewey
Version:	V01 from: 12.08.2014
1.) Aim of SOP: CT reading is the essential part of DISCHARGE. This SOP defines the roles of the reader (R) and the supervisor (S).	
2.) Description:	
Reader:	The R is analyzing the cardiac CT images. He/ She reports the results.
Supervisor:	The S reviews and confirms the results from the R. He/ She has to sign the report.
3.) Qualifications:	
Reader:	Medical Doctorate and at least resident physician
Supervisor:	At least SCCT Level II or equivalent as defined in the certification list.
4.) Documentation: The documentation of the results will be done in the hardcopy or electronic version of the patient file and in the eCRF of DISCHARGE.	
5.) Supporting Documents: Proposal, List of readers
